VOLUMES 30 — 39

June, 1970 — December, 1974

PUBLISHED BY THE DEPARTMENTS OF GEOGRAPHY
UNIVERSITY OF SINGAPORE AND
UNIVERSITY OF MALAYA

THE JOURNAL OF TROPICAL GEOGRAPHY

The Journal of Tropical Geography is published in June and December. Information for contributors is given on the back cover and further details will be supplied on request. Correspondence concerning the Journal shall be addressed to either the Editor or the Business Manager whose addresses are as follows:—

The Editor,
The Journal of Tropical Geography,
Department of Geography,
University of Singapore,
Singapore, 10.

The Business Manager,
The Journal of Tropical Geography,
Department of Geography,
University of Singapore,
Singapore, 10.

SUBSCRIPTIONS

The Journal is available, post free, on payment in advance at the rate of Singapore/Malaysian \$10.00, or U.S.\$5.00, per copy.

MEMBERS OF THE EDITORIAL BOARD

Director

Ooi Jin Bee, M.A., D.Phil.

Editor

Ooi Jin Bee, M.A., D.Phil.

Associate Editor

Warwick Neville, M.A., Ph.D., Dip.Ed.

Assistant Editors

Tunku Shamsul Bahrin, B.A., M.A.

Chia Lin Sien, B.A., M.Sc.

Khoo Soo Hock, B.A., M.A.

Tan Lee Wah, B.A., M.A.

Mohammad Ayob, M.Sc., Ph.D.

Business Manager

Julie Yeo

Author Index - - - - -	1
Regional and Subject Index - - - - -	5
The Tropics — General - - - - -	5
Africa and the Arabian Peninsula - - - - -	5
America, Tropical - - - - -	6
Asia, East - - - - -	6
Asia, South - - - - -	6
Asia, Southeast (excluding Malaysia and Singapore) - - - - -	7
Malaysia - - - - -	7
Singapore - - - - -	8
Pacific, Southwest - - - - -	8

The following subject classification is used for each of the above regions:

- General
- Agriculture
- Biogeography
- Climate
- Economic development
- Geomorphology
- Historical geography
- Hydrology
- Land utilization
- Minerals and mining
- Political geography
- Population and settlement
- Soils
- Transport and communications
- Urban geography

REGIONAL AND SUBJECT INDEX

THE TROPICS — GENERAL

Agriculture

Forms, functions and associations of raised fields in the Old World tropics (Denevan & Turner); 39, 1974, 24-33.

AFRICA AND THE ARABIAN PENINSULA

General

Spatial convergence-divergence: A quantitative approach to the problem of delineating the region (Engmann); 37, 1973, 16-29.

Agriculture

Agricultural areal differentiation in the cocoa producing areas of Western Nigeria (Adejuwon); 35, 1972, 1-10.

Agricultural colonization in twentieth century Western Nigeria (Adejuwon); 33, 1971, 1-8.

Agricultural landuse in Oyo Division viewed against the background of von Thunen's theory of land utilization (Oyeleye); 37, 1973, 39-52.

Food crop farming in the coastal area of South-western Nigeria (Ajaegbu); 31, 1970, 1-9.

The introduction of rice in Rwanda (Baker); 31, 1970, 27-32.

Patterns of crop combination in the three eastern states of Nigeria (Uzozie); 33, 1971, 62-72.

Biogeography

The ecological status of coastal savannas in Nigeria (Adejuwon); 30, 1970, 1-10.

Savanna in the forest areas of Western Nigeria: Distribution and vegetation characteristics (Adejuwon); 39, 1974, 1-10.

Climate

Application of harmonic analysis to the study of East African rainfall data (Potts); 33, 1971, 31-42.

Aspects of the precipitation climatology of the July-August rainfall minimum of Southern Nigeria (Ilesanmi); 35, 1972, 51-59.

The distribution of solar and net heat load on cattle in Nigeria (Ojo); 36, 1973, 50-59.

An empirical formulation of the onset, advance, and retreat of rainfall in Nigeria (Ilesanmi); 34, 1972, 17-24.

A harmonic analysis of the rainfall over the Sudan (El-Tom); 37, 1973, 9-15.

Rainfall patterns in the Sudan (Hammer); 35, 1972, 40-50.

Rainfall variability in Zambia (Nieuwolt); 34, 1972, 44-57.

The seasonal march of the spatial patterns of global and net radiation in West Africa (Ojo); 30, 1970, 48-62.

A statistical analysis of rainfall over Nigeria (Ayoade); 39, 1974, 11-23.

Economic development

The evolution of Tanzanian rural development (Connell); 38, 1974, 7-18.

The impact of the Volta scheme on the lower Volta floodplains (Hilton & Kowu-Tsri); 30, 1970, 29-37.

Geomorphology

Effects of rock composition and structure on landform development: The example of the Idanre hills of Western Nigeria (Jeje); 39, 1974, 43-53.

The extent, profile and significance of deep weathering in Nigeria (Faniran); 38, 1974, 19-30.

Landform development at the boundary of sedimentary and crystalline rocks in south-western Nigeria (Jeje); 34, 1972, 25-33.

Landforms on the sedimentary rocks of South-western Nigeria (Jeje); 36, 1973, 31-41.

The laterite landscape of the Share area of Ilorin, Nigeria (Wigwe); 38, 1974, 61-78.

Soil development and slope form in Gran Canaria, Canary Islands (Furley); 36, 1973, 8-19.

Some observations on Ghanaian beach rocks (Dei); 35, 1972, 26-31.

Land utilization

Agricultural landuse in Oyo Division viewed against the background of von Thunen's theory of land utilization (Oyeleye); 37, 1973, 39-52.

The growth of Ibadan City and its impact on land-use patterns (Oyelese); 32, 1971, 49-55.

Political geography

The development of a frontier zone and border landscape along the Dahomey-Nigeria boundary (Mills); 36, 1973, 42-49.

Population and settlement

Location theory and the subsistence economy: The spacing of rural settlements in Sierra Leone (Siddle); 31, 1970, 79-90.

Soils

Soil development and slope form in Gran Canaria, Canary Islands (Furley); 36, 1973, 8-19.

Urban geography

The growth of Ibadan City and its impact on land-use patterns (Oyelese); 32, 1971, 49-55.

Urban growth and development in Nigeria (Sada); 38, 1974, 45-54.

AMERICA, TROPICAL

Agriculture

Ethnicity as a determinant of peasant farming characteristics: The Canals Polder, Guyana (Burroughs); 37, 1973, 1-8.

Peasant agriculture in Northwestern Dominican Republic (Antonini); 32, 1971, 1-10.

The sugar industry of Demerara 1930-65: Some problems in identifying scale economies (Auty); 34, 1972, 8-16.

Biogeography

Savanna vegetation in the northern Rupununi, Guyana (Eden); 30, 1970, 17-28.

Climate

The weather during northerners at Kingston, Jamaica (Fermor); 32, 1971, 31-37.

Historical geography

The development of the Jamaican road network by 1846 (Hubbard); 38, 1974, 31-36.

Minerals and mining

The bauxite/alumina industry of Jamaica (Mulchasingh); 33, 1971, 20-30.

ASIA, EAST

Agriculture

Traditional aquaculture in Hong Kong (Anderson); 30, 1970, 11-16.

Geomorphology

Beach morphology and tidal cyclic fluctuations around Hong Kong Island (Williams); 32, 1971, 62-68.

Short term beach changes in Hong Kong: The examples of Shek O and Stanley Bays (Williams); 36, 1973, 66-77.

Urban geography

A typology of Hong Kong census districts: A study in urban structure (Lo); 34, 1972, 34-43.

ASIA, SOUTH

Agriculture

Changes in the patterns of foodgrain production and sufficiency level in India, 1921 to 1951 (Chakravarti); 32, 1971, 11-30.

Geomorphology

The orientation of straight slope forms on the Hatton Plateau of central Sri Lanka (Maduma Bandara); 38, 1974, 37-44.

Historical geography

Graeco-Roman nautical technology and modern sailing information: A confrontation between Pliny's account of the voyage to India and that of the *Periplus Maris Erythraei* in the light of modern knowledge (Ascher); 31, 1970, 10-26.

The timetables of the *Periplus Maris Erythraei* and of Pliny's voyage to India (Ascher); 34, 1972, 1-7.

Urban geography

Daily influence area of Calcutta (Dutt); 35, 1972, 32-39.

ASIA, SOUTHEAST

(excluding Malaysia and Singapore)

Geomorphology

Nature of displacements along the Semangko Fault Zone, Sumatra (Tjia); 30, 1970, 63-67.

Population and settlement

Peasant colonization in Mindanao (Krinks); 30, 1970, 38-47.

A study of recent internal migration in Thailand (Ng); 31, 1970, 65-78.

Transport and communications

The spatial dynamics of rice milling and commodity flow in central Thailand (Hafner); 37, 1973, 30-38.

MALAYSIA

Agriculture

The development of pineapple cultivation in West Malaysia (Wee); 30, 1970, 68-75.

Size aspects of rubber smallholdings in West Malaysia: A case study of Bentong, Pahang (Voon); 34, 1972, 65-76.

Biogeography

Size and affinities of the flora of the Malay Peninsula (Hsuan); 31, 1970, 43-56.

Soils and forest on an ultrabasic hill north east of Ranau, Sabah (Fox & Tan); 32, 1971, 38-48.

Climate

Observations on the effect of a city's form and functions on temperature patterns: A case of Kuala Lumpur (Sham); 36, 1973, 60-65.

Reliability of West Malaysian rainfall records: An objective evaluation (Chia); 36, 1973, 1-7.

Geomorphology

Classification of slope angles for land planning purposes (Olofin); 39, 1974, 72-77.

Land surface mapping, Johor, West Malaysia (Swan); 31, 1970, 91-103.

Lineament pattern on Penang Island, West Malaysia (Tjia); 32, 1971, 56-61.

A raised beach at Kahang, Johor, Peninsular Malaysia (Swan); 38, 1974, 55-60.

Historical geography

Population growth and migration of the Eurasians in Malacca since 1871 (Chan); 35, 1972, 17-25.

Hydrology

The water balance of five catchments in Selangor, West Malaysia (Low & Goh); 35, 1972, 60-66.

Land utilization

Classification of slope angles for land planning purposes (Olofin); 39, 1974, 72-77.

Population and settlement

The changing settlement system of West Malaysia (Pryor); 37, 1973, 53-67.

Population growth and migration of the Eurasians in Malacca since 1871 (Chan); 35, 1972, 17-25.

Soils

Soil creep on a humid tropical slope (Eyles & Ho); 31, 1970, 40-42.

Soils and forest on an ultrabasic hill north east of Ranau, Sabah (Fox & Tan); 32, 1971, 38-48.

Transport and communications

The spread of transportation and its impact upon the modernization of Malaya, 1887-1911 (Leinbach); 39, 1974, 54-62.

SINGAPORE

Agriculture

Carp culture in Singapore: A case study (Tan); 35, 1972, 67-74.

Climate

The record floods of 10th December 1969 in Singapore (Chia & Chang); 33, 1971, 9-19.

Geomorphology

Beach formation between breakwaters, southeast coast, Singapore (Wong); 37, 1973, 68-73.

Coastal geomorphology in a humid tropical low energy environment: The islands of Singapore (Swan); 33, 1971, 43-61.

Hydrology

The record floods of 10th December 1969 in Singapore (Chia & Chang); 33, 1971, 9-19.

Urban geography

Commercial patterns in Singapore's public housing estates (Yeung & Yeh); 33, 1971, 73-86.

PACIFIC, SOUTHWEST

Agriculture

Shifting cultivation and population growth in Tonga (Maude); 31, 1970, 57-64.

Biogeography

High-altitude forests and grasslands of Mt. Albert Edward, New Guinea (Pajmans & Löfner); 34, 1972, 58-64.

Mangroves and coastal morphology in Cairns Bay, North Queensland (Bird); 35, 1972, 11-16.

Climate

Frost and drought in the highlands of Papua New Guinea (Brown & Powell); 38, 1974, 1-6.

Geomorphology

Geomorphic evidence for climatic change in the late Quaternary of Northeast Queensland, Australia (Hopley); 36, 1973, 20-30.

Landforms of the Yavuna granite area, Viti Levu, Fiji: A morphometric study (Wright); 37, 1973, 74-80.

Mangroves and coastal morphology in Cairns Bay, North Queensland (Bird); 35, 1972, 11-16.

The steep coast of Macalister Range, North Queensland, Australia (Bird); 31, 1970, 33-39.

Subaerial erosion of volcanic cones in the tropics (Ollier & Mackenzie); 39, 1974, 63-71.

Population and settlement

Shifting cultivation and population growth in Tonga (Maude); 31, 1970, 57-64.

Transport and communications

The role of air transport in underdeveloped regions: North-west Australia, 1921-71 (Holman & Crawford); 39, 1974, 34-42.
